ASSURANCE SERVICES — OUR TRUSTED APPROACH

At FBRH Consultants, we combine rigorous methodology, over two decades of ESG expertise, and internationally recognised quality standards to help you deliver sustainability reports you can trust.

ESG / Sustainability Report Assurance

- **FBRH Progressive Assurance Approach:** A flexible, step-by-step process that scales to your needs, strengthening stakeholder confidence while prioritising what matters most—including material impacts, risks, and value chain considerations.
- **Professional Assurance Standards:** We apply the ISAE 3000 framework for independent assurance and operate under ISO 9001-certified quality management.
- **Purpose-Built Platform:** Our secure, proprietary digital platform streamlines the assurance process—enabling real-time commenting, efficient filtering, and exportable reports in PDF or Excel format.

Principles for Responsible Banking (PRB) Assurance

- **Designed for Banking Transparency:** FBRH delivers PRB assurance services aligned with ISAE 3000, reinforcing trust and accountability in line with UNEP FI's Principles for Responsible Banking.
- **Expertise You Can Count On:** We're backed by ISO 9001 quality certification, GRI-certified training capabilities, and a track record that includes working with global banking institutions.
- **Secure & Strategic:** Our proprietary assurance platform supports seamless collaboration, while our Management Letters provide actionable insights to sharpen future reporting cycles.

Why FBRH Stands Out

- **Two Decades of Real-World Impact:** Our assurance services are informed by deep experience in ESG advisory, training, and reporting.
- **Certified Rigor & Reliability:** Our processes are governed by ISO 9001, and we're a GRI Certified Training Partner and ISEP Approved Training Centre—ensuring both technical excellence and trustworthy outcomes.
- **Client Confidence Through Quality:** With over 200 verified client reviews, FBRH is recognised consistently for delivering credibility, clarity, and value.

200+ REVIEWS ★★★★★

FBRH builds trust. Over 200 reviews from top professionals from around the world demonstrate our ability to build strong, trusting business relationships.

"You can know nothing about GRI Standards and in 2 days you will be ready to advise clients or run a reporting project for your company."

Laurence Cox
(Salterbaxter, an MSL Company)

"Thanks for two excellent days of learning How to Create a 1st-Class GRI Standard Sustainability Report."

Anette Brøto Nereng
Director - Head of ESG Reporting & Assurance at KPMG (Norway)

"Pleased to share that as of today I am a GRI Certified Sustainability Professional. Great course, thank you for the insights and unique learning path."

Ting Chaung Ho
(S&P Global)

"The FBRH GRI reporting course was enlightening, in-depth and comprehensive. Through well-structured course work, team work and rich discussions to give it even more edge, I felt very well equipped after the intensive three days to embark on my GRI reporting journey. The material is excellent, the trainer very knowledgeable and helpful, and to top it all, my fellow participants were fantastic! Thank you for this highly useful journey!"

Anna Cook
CERN HSE Communications & Environment Coordinator

"I started this 5 day journey (to become a GRI Certified Sustainability Professional) with very little knowledge or idea of how to tackle our company reporting. Having completed the courses, I feel well equipped to take on the challenge. The course is really well organised and facilitated with good learning materials, practical exercises and excellent discussions. The fact that Simon is available for follow up questions and advice for some weeks after the course is an added bonus!"

Bonnie Griffiths
PwC Belgium

"This course provided a great learning outcome! I now feel well prepared to assist my clients in sustainability reporting."

Mari Ziesler Andenaes
Senior Manager | Sustainability Reporting & Assurance
| BDO Norway

"I really enjoyed the course and it helped me in my first contact with the GRI Standards. Really practical examples. Thanks!"

Belen Lopez Lugilde
Manager Global Audit
(Heineken Global)

"A big thank you for last week's training. All my training objectives were met."

Johanna Tähtinen
(World Business Council for Sustainable Development)

"I highly recommend the class. Not only did I learn how to report on sustainability but also I got a comprehensive view of how sustainability can be a part of the company's strategy."

Malgorzata Slawinska
FRONTEx

"3 intensive days on the way to being GRI certified! Thanks Simon Pitsillides for a great training course."

Gordon Randal
Vice President
Tetra Laval International
